**ALTHOUGH** the price of wool is advancing, the price of dyestuffs almost impossible and the cost of production greatly increased this year, you'll find us coming forward with a greater Carpet and Rug Sale than we've ever had before. Greater values and lower prices prevail here, while elsewhere the prices have advanced. The reason is, we purchased our rugs and carpets long before the shortage of materials was felt, hence our order was filled at the old low prices. That's why you'll find the biggest bargains of the year in Mayer's Annual September Sale of Carpets and Rugs.
